### STAFF ACTIVITIES REPORT

Through February, 2010

A Staff Activities Report is provided to the City Council at the first Council meeting of every month. Additions to the previous report will be indicated in *bold italics*. Old information will be left on this report for several months and then removed or updated. This report is prepared by Steve Albright, City Manager, with input from staff members and contracted consultants.

The Staff Activities Report focuses on specific projects, the status of requests to the staff from the Council, and other ongoing items where progress can be reported. It is now being organized under the six primary City functions: City Administration; Police Department; Fire Department; Public Works Department; City water Department; and the City Cemetery.

### City Administration:

- Second FY2010 Budget Amendment and supporting documentation. The first Budget Amendment was adopted in September. The proposed second mid-year Budget Amendment was approved by the City Council in February 2010.
- 2. 2008-09 Annual Audit. Ralph Marcello from Marcello & Company was in Trinidad doing the field work for the annual audit (2008-09) during the week of January 18, 2009. Year-end financial statements were provided to him in advance by Cunningham, Malone & Morton, and staff assisted him during his week in Trinidad. The audit is apparently not quite complete, and now it should provided to the City Council for consideration at the first meeting in April, 2010.
- 3. <u>City Web Site</u>. Many hours have been spent to continue to update the City's new website. Additional uploading to the web site of historic file is an ongoing process. Persons are encouraged to continue to make suggestions for improvements that will make the site user friendly and a resource for the community.
- 4. <u>Improvements to the City's filing/record-keeping system</u>. Town Hall records, and those that are in the storage facility at Trinidad School, will be purged and archived over the next few months. The City Clerk will also be compiling a

database of the existing files to improve the ability to retrieve and use historic files. The long-awaited project of contracting for updates to the City Municipal Code should be brought to the Council for contract award in April.

- 5. <u>Creating a 5-year Capital Improvement Plan for the City of Trinidad.</u> No action has been taken.
- 6. <u>Tsurai Management Plan Implementation.</u> There is no new information to report publicly on this process. The City Council will again be meeting in Closed Session to discuss the terms and conditions of a real potential real estate transaction. Any actions will be reported at the public meeting.
- 7. General Plan. The Land Use Element was presented to the Council in October, and revisions were presented to a joint Planning Commission/Council meeting in February. The Open Space, Conservation, and Recreation Elements are to be presented to the Council at a Special Meeting on March 17, 2010. The new General Plan is now scheduled for Council adoption hearings beginning after June, 2010. After Council adoption, the Plan then needs to be forwarded to the California Coastal Commission for consideration, and after that there will be conforming changes to the Zoning Ordinance.
- 8. On-Site Waste Water Treatment (OWTS) Ordinance. The City Council adopted the Ordinance on December 10, 2008. In November, Planning Commission requested that a change in the OWTS Ordinance be made to make either the City Manager (administratively) or the City Council responsible for approving the implementation guidelines. An amendment to the Ordinance has been prepared to shift this responsibility to the Council. If this is approved in March 2010, then the Guidelines will be finalized and can be brought forward soon thereafter for consideration.
- 9. Accessory Dwelling Unit (ADU) Code. The Planning Commission has completed its work on a proposed ADU Ordinance that would put the City of Trinidad in compliance with State requirements. The ordinance was referred to the City Attorney for review in early 2008. The Planning Commission has recommended that it be considered by the City Council, but that will not happen until the Council acts on the OWTS Ordinance. The proposed ADU Ordinance is on the City's website as a downloadable document for public review and comment.
- 10. Vacation Units Regulations. The Citizens Advisory Committee on Vacation Dwelling Units has been formed and has completed three meetings. Tom Davies was selected to Chair the committee, and Jennifer Fraser is the Vice-Chair. The Committee established a series a meeting dates and is progressing with research that will lead toward recommendations. The goal was set to provide a final report with recommendations to the City Council by the end of June ors sooner, if possible.

11. <u>Town Hall Rental</u>. Staff will be providing a monthly report on the rentals that occur for Town Hall. That report will be included as the last page (addendum) to this staff report.

- 2. Public Safety. Regarding traffic safety issues on Trinity and Edwards Streets, Police Chief Thrailkill presented recommendations along with a report from Winzler & Kelly at the January City Council meeting. The Council acted on some of the recommendations, and those changes will be made when weather permits. Still, this has not addressed multiple safety concerns by the residents, and so the topic will again be on the Council's agenda for discussion in March.
- 3. Staffing The Department has advertised again and has begun recruiting for another Reserve Officer.
- 4. Emergency Services: The Police Department installed an emergency phone at its location on Trinity Street. This phone is a direct-dial for persons who have true emergencies and attempt to reach the Police Department in person during off-office hours. ### **CONSENT AGENDA ITEM IX.3**

Date: March 10, 2010

Item:

RESOLUTION 2010-04 APPROVING AN APPLICATION TO THE HUMBOLDT AREA FOUNDATION

Background:

During the process of updating the City's General Plan, and in the preparation of the Plan's Housing Element, Streamline Planning worked to assess the housing needs of the senior population in the City. A survey form was developed, but due to other timing priorities and funding limitations, the survey to assess senior needs in Trinidad has not been completed.

Streamline Planning proposes to pursue a funding source to complete this work. Completion of the survey will include the preparation of a report that will assess overall senior needs in Trinidad. The potential source of funding is the Senior Opportunities fund through the Humboldt Area Foundation. \$1,200 is proposed to be sought from the Foundation, and the Village Keepers fund will be used to augment this limited amount of money.

There is no match request from the City of Trinidad.

If approved, Streamline Planning will complete the application and submit it for consideration to the Humboldt Area Foundation by April 1, 2010.

Staff Recommendation:

Approve proposed Resolution 2010-04.
